

HOW TO GET YOUR OWN DOMAIN NAME

BRANDING 101

www.yourname.com
.net
.org
.me

Owning your own name as a .com, .net, .org, or even a .me URL is one of the most powerful ways to create a reputation AND protect your reputation online.

Even if you never plan on using your URL to promote yourself or your business, you should own it to keep others from using it, and creating a brand that could hurt you.

Watch the video at the link below to learn how to buy your own domain name, and what to do if someone already has your name taken.
